

Exploring a few ideas for our workshop:

1. Make a simple concertina book
2. Make a square or rectangular textile piece on canvas or calico
3. Create textile designs for making wearable items: such as a hat?

How to make a simple Concertina book

1. Choose an A4 sized paper (29.7 x 21 cm) or similar
2. Use it landscape as above, first fold in half then each half is again folded in half.
3. Start designing your page or each fold using painting, collage or printing. Then start to hand stitch or using a sewing machine and textile.
4. You can be creative and design what you want or like:
5. Design your imagery using textile and stitching on Canvas or use textile and stitching on printed imagery on paper or cloth.
